FAQ for Youth Camp 2021

Will I get my deposit back if we need to cancel?
No, the deposit is nonrefundable.

What if camp is cancelled?
We will do our best to get you a full refund minus the deposit.

Is there a discount for early registration or multi-child?
No, we are giving everyone the best price we can. This price is below the actual cost of camp.

What are your Covid safety policies for camp?
We will follow the NC Covid safety guidelines and the Camp Willow Springs guidelines. We are assuming there will still be restrictions in August and will send those to you closer to camp.

What is the student/leader ratio?
We are striving to have it at 5 students to every 1 leader.

Will there be medical staff?
Yes

Will we have any forms to sign or get notarized?
No forms will need to be notarized, but we will have our Medical Release Form for you to sign. We will also need a copy of your insurance card.

Why are you hosting your own camp in 2021?
Out of an abondance of caution due to Covid, we are hosting our own camp this year.

What about special dietary needs?
There is a place on the Medical Release Form to let us know about that and we, in turn, will inform Camp Willow Springs.

What about my child's medication during the week?
There is a place on the Medical Release Form to list medications and when they are taken. At camp check-in there will be a medical table where you can speak to someone about how you want the dispensing of medication handled. Unless a parent insists otherwise, we will let the students be responsible for their own medication.

Can my child have a cell phone at camp?
Yes, the guidelines will be discussed with students at camp.

Will there be a parent meeting?
No, we will e-mail you a packet of information later this spring and a link to a short video about camp.

How long does registration go for?
We would like all registrations to be turned in by end of June.
