Multi-Generation Worship Ministry (Leadership Team) 2023-2024

“But the hour is coming, and now here, when the true worshipers will worship the Father in spirit and truth, for the Father is seeking such people to worship him.”

John4:23

PURPOSE

We were made to worship! The Multi-Generation Worship Ministry serves to train and disciple the Next Generation of Worship Leaders. To help students grow in their Biblical understanding of who Jesus is and their relationship with him through worship. To encourage students to serve him through musical gifts and abilities he has given them. Students will learn what it means to worship the Lord in spirit and truth.

FOCUS

Leaders will help mentor and disciple students in spiritual development and aid in training students to develop their ability to learn to hear music, keep rhythm, sing melody and harmony parts that is age appropriate. To encourage students to engage in and share their musical abilities and talents with others in a choir setting and in corporate worship.
