Multi-Generation Worship Ministry (Children & Youth Choir) 2024-2025

***“But the hour is coming, and now here,
when the true worshipers will worship the
Father in spirit and truth, for the Father is
seeking such people to worship him.”***

John 4:23

PURPOSE

We were made to worship! The Multi-Generation Worship Ministry serves to train and disciple the Next Generation of Worship Leaders. Students will grow in their Biblical understanding of who Jesus is and their relationship with him through worship. They will serve him through musical gifts and abilities he has given them. Students will learn what it means to worship the Lord in spirit and truth.

FOCUS

Students will be trained to develop their ability to learn to hear music, keep rhythm, sing melody and harmony parts. The choirs will lead music in the main worship services with our Adult Choir and orchestra to praise the Lord in a spirit of worship multiple times throughout the year and during special events.

WHAT TO EXPECT

Each week students will participate in a devotional centered around one of the songs they are learning for the month. We want students to understand the message in the songs we sing so they can truly engage in worship as they lead others in worship.

The rehearsals will consist of prayer time, exercises and activities to help the students learn techniques of singing, and rehearsal of the music.

One Wednesday a month, grade 4th-12th will participate in sectional rehearsals to help them in hearing and singing their specific part such as Soprano, Alto, Tenor, and Bass.

Multi-Generation Music Ministry they will have opportunities to participate in outreach and special events.

We ask every student and family to pray about the decision to be a part of this ministry. Students and families will be asked to give this ministry the same priority as outside activities. Our desire is to give God our very best and for this ministry to glorify him through devotion to our commitment and the usage of our gifts and abilities.
