Becoming a Teenager

“Alongside: Loving Teenagers with the Gospel” by Drew Hill

Alongside supports both parents and youth ministry leaders and volunteers to love teenagers well. Drew Hill unpacks the challenges teenagers face and how youth leaders and parents can share the gospel with them at this crucial age. Teenagers want to be chased, and *Alongside* brings scripture to life and helps parents and those in youth ministry practically connect the life of Jesus to the lives of their adolescent children and friends.

Through Scripture and captivating personal stories from years of experience working in youth ministry, Hill pulls back the curtain and invites readers to step into the unfiltered world of teenagers. How do we start meaningful conversations with our teenage friends? How do we build trust across the dining room table? What would it look like to prayerfully cultivate a group of leaders or parents with a shared goal of seeing Christ transform the lives of teenagers in our communities? Gain practical application and biblical truths to highlight the complexities of relational youth ministry, address the needs real teenagers encounter in their daily lives and engage their hearts rather than just their behavior.
