Praying for My Children

As parents, one of the most powerful things we can do is pray intentionally and consistently for our children. This simple guide is designed to help you start—or strengthen—that rhythm. Whether you're praying at bedtime, in the car line, or during your quiet time, these Scripture-based prayers will help you lift up your child's heart, mind, and future to the Lord.

Let this be a starting point, not a script. Personalize it. Speak their name. Trust that God hears every word.
