God's Word Lights Our Path

Theme: Starting the year with God's guidance.

Step 1: Read Scripture Together

Open the Bible and read **Psalm 119:105**:

"Your word is a lamp to my feet and a light to my path."

Explain to your child: Just like a flashlight shows the way in the dark, God's Word helps us know the right way to live each day.

Step 2: Object Lesson

- Turn off the lights in a room and give your child a flashlight or a candle.
- Have them try to walk a few steps in the dark without the light. Then turn on the flashlight/candle and let them walk again.
- Talk about how it's hard to know the way in the dark, but the light makes it safe. God's Word is like that light for our choices in the new year.

Step 3: Create a "New Year's Verse Card"

- On an index card or piece of paper, help your child write Psalm 119:105.
- Decorate it with drawings of flashlights, lamps, or stars.
- Encourage your child to keep it in their room, backpack, or Bible as a reminder that God's Word lights their way this year.

Step 4: Have Prayer Together

Pray a short prayer like:

"Lord, thank You for giving us Your Word to guide us. Help us listen to You and follow Your way each day this year."
