A Guide to Smartphones

Resource:

Unlock *Everything Smartphone* — a free, faith-centered digital experience from Axis designed to help families navigate the complex role of smartphones in a teen's life. With practical tools like a Smartphone Charter, this resource encourages healthy digital rhythms, sparks meaningful conversations between parents and teens, and offers guidance on setting boundaries and building trust in a technology-filled world. Start your family's journey to greater wisdom, connection, and confidence around phone use today.
