Growing Up with Purpose

“Live Smart: Preparing for the Future God Wants for You” by Dan Dumas

Live Smart by Dan Dumas is a practical and powerful guide written especially for young men who want to live with wisdom and purpose. Rooted in biblical truth, the book challenges teens to reject passivity and instead pursue godly character, integrity, and responsibility in every area of life. With engaging stories, straightforward advice, and spiritual encouragement, *Live Smart* helps students prepare now for the future God has planned for them — in friendships, work, faith, and beyond.
