In His Image

Use this card while baking cookies together as a family to help your child understand how we are created in God's image, yet each of us is unique and special.

Preparation:

Gather supplies for baking cookies. (You can choose to make from scratch or use store-bought)

- Cookie cutter
- Icing and decorations

Instructions:

Say: We are going to bake some cookies together. We have a fun shape to make our cookies with.

Roll out the cookie dough and start using the cookie cutter to cut out the cookies.

Say: Notice that the shape of the cookie cutter is the shape of our cookies!

Put the cookies in the oven to bake.

Read Genesis 1:27 "So God created mankind in his own image, in the image of God he created them; male and female he created them."

Say: It says in this verse that God created us in his image or likeness. We used the cookie cutter to make cookies in a certain shape, but it isn't the same as the cookie cutter. In the same way, we are created in the "image of God." We are not God but created to be like Him and reflect what He is like.

Remove the cookies from the oven when ready. Decorate the cookies together and talk about how we are created in God's image.

Read Romans 12:4-8 together.

While enjoying your yummy cookies with your family, pray!

Thank God for the gift of each member of your family. "Thank you, Lord, for bringing us together. Help us work together as a team to complement each other better than ever before. In Jesus Name we pray, Amen!"
